

Florida Alliance for Choices in Education (F.A.C.E.) is a statewide association made up of individuals, schools and families participating in and concerned about Florida's school choice options.

Since the beginning, F.A.C.E. has been determined to provide its members with the knowledge and skills needed to defend educational options for Florida families. F.A.C.E. also educates others to join in support to make sure that the benefits and rights of all are protected. F.A.C.E. members take action to defend and advance school choice. F.A.C.E. maintains regular contact with hundreds of private schools and parents throughout Florida.

F.A.C.E. serves as the grassroots component in advancing school choice in Florida. The organization has promoted educational opportunities for low-income families through its defense of the Corporate Tax Credit (CTC)/Step Up For Students (SUFS) Scholarships, administered by Florida P.R.I.D.E., Carrie Meek Foundation and Children First Florida, and has been at the forefront in advancing school choice for special needs and disabled students through its defense of the McKay Scholarship.

Please help us grow & defend the all Florida's Scholarship Programs by filling out and returning the STUDENT SPOTLIGHT REQUEST form (this form may be emailed). Please include a high-resolution photo of your scholarship student when possible.

Thank you for Stepping Up For Students,
